

## MARV'S BARBECUE RETURNS TO SERVE UP

### SPECIAL BRUNCH-STYLE BREAKFAST FOR AL & FRIENDS SUNDAY, MAY 7

Local restaurateur and barbecue specialist Marvin Green of Marv's Barbecue will return to serve up a new and special pulled pork sandwich and country style baked beans for the brunch-style breakfast on Sunday, May 7 from 8:30 AM until 9:30 AM, for the non-profit based AL & FRIENDS, at Window on the Bay, Monterey.

Marv's Barbeque last prepared and served the popular brisket and grilled veggies this past summer for AL & FRIENDS.

Green remarked, "I will be serving my exclusive southern style pulled pork sandwiches, accompanied with country style baked beans. The brunch-style breakfast will also include coleslaw, pickled onions and a special dessert prepared by one of the AL & FRIENDS volunteers. We will be serving at Monterey's Window by the Bay that morning for anyone who's hungry."

"These Sunday morning meals have been provided for over 12 years," noted AL & FRIENDS Chef and Founder Al Siekert. "We usually have between 75 to 90 or more guests, so on May 7th we are offering this distinctive brunch-style breakfast to any and everyone - no questions asked. It's a pleasure to get the ongoing support of Marv and his barbecue," he added.

Al & Friends began as an idea that Siekert developed and implemented after seeing so many food-insecure individuals and families in our local area. "Adding Marv's Barbecue menu is a great way to diversify our Sunday morning fare," remarked Siekert.
